Transcript: Change Citation Styles in Zotero

In this video, you will learn how to change citation styles in Zotero.

To change an existing citation style in the Zotero desktop, open Zotero's **Preferences**, click on the **Cite** option, select your chosen citation style in the **Styles** tab, and click OK.

Below the list of standard styles, the **Get Additional Styles** option allows you to download your desired citation style from an expanded library of over 9,800 styles. Select the style you want and click on the title. The style will be added to your options in both Zotero and MS Word.
