

UNB Libraries - Update for Senates on Integrated Library System

Lesley Balcom

January 2021

UNB

Background to Integration

- Formally launched 2018
- Exploration & evaluation
- Print to digital
- *Senior Administration Responsibility Review Report (2014)* coinciding with changes in library management at both campuses

Objectives of Integration

- **Essential library resources and services to be provided to students and faculty regardless of their home campus**
- **Align with bi-campus model for research & graduate studies**
- **Clarify roles & responsibilities**
- **Reflect model in place at other Canadian universities**
- **Formalized existing behind-the-scenes integration**
